- LM P1** The premier class in endurance racing, competing with purpose built prototypes. LM P1-H is for manufacture entries and Hybrid technology, free engine size, while LM P1-L is for Privateer teams and engine size limited of 5.5L. Red number panels, White Headlamps. HY on engine cover denotes hybrid system installed.
- LM P2** The second prototype class, featuring purpose built cars with a cost cap of €400,000. 5.0L aspirated or 3.2L turbo engine. Each entry must feature at least one bronze or silver rated driver. Blue number panels, White Headlamps
- LM GTE Pro** The top production based category in Le Mans racing. Cars share a basic resemblance and some components with their road car cousins. Maximum engine size, 5.5L aspirated or 4L turbo. Green number panels, Yellow Headlamps.
- LM GTE Am** Same regs as GTE Pro, but the car must be at least one year old in specification. Must feature at least two bronze or silver rated drivers. Orange door card, Yellow Headlamps
- Innovative** An entry which demonstrates new automotive technology. The Nissan ZEOD RC is powered by electric motors and a small petrol engine. The car aims to complete the first all-electric lap of famous 8.5-mile circuit. Black Number Panels
