CLASSES

The TUDOR United SportsCar Championship features two styles of cars, Prototype and GT (Grand Touring). Each style of car has two classes, Pro and Pro-Am, meaning there are four classes of racing on track together, each with their own battle for the lead.

PRO VS PRO-AM

The Pro classes typically feature a professional driver line up while the Pro-Am classes pair a professional and amateur driver together.

CLASS SPECIFICATIONS

PC PROTOTYPE CHALLENGE (PRO-AM)

The Prototype Challenge (PC) class is a spec class featuring open cockpit race cars and technology such as carbon fiber chassis, carbon brakes and a sequential gearbox.

CAR IDENTITY

LEADER LIGHT SYSTEM

To help fans follow the on track action, the TUDOR United SportsCar Championship has introduced a revolutionary and state-of-the-art Leader Light System for the 2014 season. It allows fans to easily identify the position of each car in its respective class. The position of the car is displayed on an LED panel mounted on the rear side section of each car.
